## How to edit your free member Web page:

1. Log in to [www.car.org](http://www.car.org).
2. Select "My Account" then click on "My member Web Page" at the top right corner of any car.org page.
3. You may add business information about yourself, edit existing content, and post your photo.
4. After updating your page, you still need to [contact your local association](#) to make formal changes to your *contact information* of your member record.

## Frequently Asked Questions

### How do I add my photo?

You can add your photo yourself. Save it as a JPG file no bigger than 200 x 250 pixels and 20 KB, then click on the "upload photo" link on your page. Browse for the saved image, then click "Upload."

### Can I make a link to my email or other home page?

Yes.

There is a field for your email address. If you need to correct your email address or add it, it should look something like:

`myname@emailaddress.com`

### Why don't I have a page yet?

You may have missed the automatic update of the entire database or your record may be in process. Just send a request to [cs@car.org](mailto:cs@car.org) and your page will be added manually. When contacting us, always include your name, C.A.R. member ID, and city.
